BlueForce Inc. provides **values-based solutions** through people, processes, and innovation. We are a global professional services firm founded in 2003, initially focused on Department of Defense (**DoD**) clients. In 2008, we expanded our breadth of services to include Department of State (**DoS**).

We know how to operate in **dynamic, unpredictable, and austere environments** – at home or abroad. We have operated in 35 different countries, and are currently operating in 17 overseas locations.

BlueForce is a CAAS IV, GSA PSS and DoS/INL SME BPA **prime contract holder**, providing advisory and assistance services (A&AS) and training worldwide.

As a subcontractor, we have access to PASS II, Seaport-e, Alliant and ETASS. BlueForce provides our clients with the **highest quality professional assistance** to enable the success of innovative and complex initiatives.
